**ALLOY BLENDING SYSTEM  
 TRIAL LICENSE AGREEMENT**

Before you sign this document, carefully read all of the agreement regarding your use of the ABS software. Signing this agreement means that you accept without limitation all of the terms and conditions of this license agreement.

- 1. Grant.** You, the trial customer, desire to access the features and benefits of Keystone Systems, Inc.'s Least Cost Charge (MIX), Alloy Additions (TAP), and Inventory Control (INV) products. Keystone grants to you a non-exclusive, non-transferable trial license to use these products under the terms and conditions of this agreement. Keystone has the right to terminate this agreement at any time and to take legal action if this agreement is violated, or if any terms or conditions are broken.
  
- 2. Copy Restrictions.** The software is protected by copyright law. You must not make copies or otherwise reproduce this software in any manner. There is one exception: Keystone Systems, Inc. authorizes you to make a single archival copy for the sole purpose of backing up your software and protecting your investment from loss. This back-up copy must be for your company use only, and must be within the scope of this license. Copying of documentation or related materials provided by Keystone is prohibited. Any approved and authorized copies of the product, documentation, or materials must contain or include any and all copyright, trademark, or other notices of Keystone.
  
- 3. Term and Cost.** The cost for this trial evaluation is US\$2,000 payable in advance. The term of this agreement shall be sixty (60) days from the requested trial start date. At the end of sixty (60) days, you have the option to either 1) return all documentation and original diskettes provided and destroy all archival copies, or 2) remit the license fee for each product you wish to retain and use. On-site training is optionally available at a cost of US\$750 per day, plus travel and living expenses. Keystone will credit the full trial fee (US\$2,000) and all on-site training fees paid (*excluding travel and living expenses*) toward the total license fee of all product(s) selected within 60 days after the trial period has expired.
  
- 4. Hardware and Software Requirements.** The ABS products have the following requirements:
  - a. Hardware - Intel Pentium class CPU with a minimum of 16MB RAM and 30MB of available disk storage.
  - b. Software - Windows (*95, 98, 2000, NT, or XP*).
  
- 5. Trial Start Date, On-Site Training, and Charge Design (MIX) Program Requirements** (*to be completed by trial customer*).
  - a. We request the software trial date to begin on \_\_\_\_\_.
  - b. We desire 0 1 2 3 4 (*circle choice*) day(s) of on-site training.
  - c. We desire the Batch Melter/Holder (*circle choice*) Version of the Least Cost Charge (MIX) program.

Keystone does not warrant that the functions of the product will meet your requirements. You assume responsibility for any decisions, actions, or results obtained from using the product.

All other expressed or implied warranties, oral or written, with regard to the product and diskette are disclaimed, including all warranties of merchantability or fitness for any particular purpose. In no event shall Keystone be liable for indirect, special or consequential damages or for any loss of profit or benefits resulting from the use of the product or arising from any breach of this warranty.

IN WITNESS WHEREOF, the parties have executed this Agreement by their duly authorized representatives.
